

# ENGAGE Los Angeles

## What is ENGAGE Los Angeles?

For many students, going from a traditional classroom to learning from home can be a real challenge. The Los Angeles Unified School District has partnered with Graduation Alliance to provide an extra layer of support for students in grades 9-12 and their families who might be struggling with these changes.

Students who choose to participate in the program will get an academic coach to work with them to answer questions, connect them with resources, and develop a plan to get on track and finish the school year strong.

## How does it work?

Graduation Alliance is reaching out to students through phone calls, emails, text messages and more to get students started.

## What does it cost?

There is no cost for the student. ENGAGE Los Angeles is completely free to students.

## How do I sign up?
