RE Teacher Certification requirements

To Whom it Concerns:

In accordance with the requirement for FLVIP-approved providers to provide Florida certificated teachers to facilitate courses, Graduation Alliance assures that it will:

- 1 – Begin the process for state certification of teachers immediately upon approval of its application.
- 2 – Return a list of the names and Florida state teaching certificate numbers of all Graduation Alliance teachers to the office designated by those overseeing the FLVIP approval process prior to the teachers commencing their teaching responsibilities.

Sincerely,

A handwritten signature in black ink, appearing to read "Fernando Moreno", written over a horizontal line.

Fernando Moreno
Chief Operating Officer
Graduation Alliance
