

# ENGAGE Ohio

## What is ENGAGE Ohio?

For many students, going from a traditional classroom to learning from home can be a real challenge. Educational Service Centers (ESCs) across Ohio have partnered with Graduation Alliance to provide an extra layer of support for students in grades k-12 and their families who might be struggling with these changes.

Students who choose to participate in the program will get an academic coach to work with them to answer questions, connect them with resources, and develop a plan to get on track and finish the school year strong.

## How does it work?

Graduation Alliance is reaching out to students through phone calls, emails, text messages and more to get students started.

## What does it cost?

There is no cost for the student. ENGAGE Ohio is completely free to students.

## How do I sign up?

Reach out to your school district to get started.
