

ENGAGE Arizona

What is ENGAGE Arizona?

The past year has been a difficult one for students and families. Fortunately, The Arizona Governor's Office of Education has partnered with Graduation Alliance to provide an extra layer of support for students in grades K-12, and their families, who might be struggling with these changes.

Students who choose to participate in the program will get an academic coach to work with them to answer questions, connect them with resources, and develop a plan to get on track and finish the school year strong.

What does it cost?

ENGAGE Arizona is completely free to students.

How does it work?

Once you're signed up, a Graduation Alliance representative will be in touch to connect you with an Academic Coach who will provide support, resources and more to students and families.

How do I enroll?

Go to ParentsAZ.GraduationAlliance.com, call **803-897-8517**, or email EngageAZ@GraduationAlliance.com to get started.
